Dina Coffee table featured as part of the Dina range

DINA RANGE

> *Ocean inspired harmony*

Inspired by the ocean, the Dina range showcases a harmonious design. It boasts a distinctive white gold sintered stone surface and wave-like sculpted base with FSC approved black oak legs. Swell exudes natural elegance while being incredibly durable. Highly resilient, sintered stone is noted for its strength, with the ability to withstand scratches, chips and intense heat (i.e. hot coffee/tea cups).
