Gaia 2.5 Seater Dual Electric Zero Gravity Recliners & Electric Headrests in Performance Leather 'Caramel'

Plush[®] think sofas

— Gaia —

Introducing the ultimate relaxation experience: our Gaia lounge, upholstered in our stunning Performance leather. Gaia's zero-gravity recliners provide a weightless sensation by elevating the legs above the heart, making the lounge ideal for individuals with poor circulation or joint or back pain.

The pocketed coil springs and no-sag springs ensure that the seat quickly returns to its original shape, while its comfort quilt seating, featuring a tufted design, adds a touch of sophistication and comfort to any room.

The sides of the arms have pull-out storage, offering a discrete solution to declutter your living space. Simply pull the armrest outwards to reveal an additional drink holder and spacious storage compartments, perfect for hiding remote controls, magazines, or any other essentials you want to keep within reach yet out of sight.

Hand-crafted with care, constructed with quality timbers and foams, the Gaia is sure to stand the test of time and comes with the Plush 10 Year Peace of Mind Warranty®.
