Plush® think sofas

— Juniper —

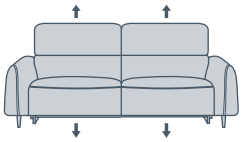

The Juniper is sleek and contemporary with a timeless appeal. Featured in our luxurious Canna fabric, a luxurious chenille with the elegant sheen of a classic velvet, Juniper blends style and comfort. Constructed from foam, fibre and coil spring internal seat cushions, this sofa offers uncompromised comfort and support. Fine tune your headrest position whilst reclined with the powered, independently adjustable, telescopic headrests. With precise movements, the vertical rise mechanism lifts upwards and tilts forward, allowing for the ultimate head support. Its high back offers additional back, shoulders, head and neck support, making it ideal for taller people or those who suffer from back pain. Available in multiple sizes and with an optional matching lift-up storage ottoman. Choose from a range of quality fabrics and stylish colours.

Hand-crafted with care, constructed with quality timbers and foams, the Juniper is sure to stand the test of time and comes with the Plush 10 Year Peace of Mind Warranty®.
