

Featured is the Montevideo Coffee Table

# MONTEVIDEO

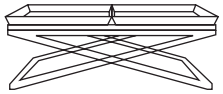

> *Elegance meets functionality*

Our Montevideo coffee table embodies an industrial style. The metal base forms an elegant cross which supports a FSC approved solid oak washed top. With two complementary removable trays with handles, the Montevideo coffee table can be converted to a more streamlined coffee table. Generous in size, 120cm width and 65cm depth, it will suit a range of living room styles.

**Product Details:**
