— Ravello —

Experience ultimate customisation and mid-century-inspired style with Plush's first innovative electric sliding mechanism, which allows you to effortlessly adjust seat depth per individual module for dual-purpose comfort that can even sleep guests.

Built with a supportive architecture of webbing, pocket springs, dacron, foam, and polyfibre-filled back cushions, it features a clean, refined aesthetic complete with bold lines, broad arms, and hidden button controls. The design is elevated by ash-stained solid timber legs with a sleek, forward-raking blade profile that creates a light, 'floating' look. Available in two different seat sizes and customizable configurations—including a wedge armless piece to create a cuddler style—this piece is displayed as a 4.5-seat 3-motion electric sliding setup in Summer fabric 'Oat' and is also available in Friday fabric.

Hand-crafted with care, constructed with quality timbers and foams, Ravello is sure to stand the test of time and comes with the Plush 10 Year Peace of Mind Warranty®.
